

# COMMITTED TO DEVELOPING HIGH-END BIOTECH TALENT

Biocon Ltd introduces Biocon Academy - a Center of Excellence for Advanced Learning in Applied Biosciences, to create a globally competitive Biotech ecosystem in India.

Biocon Academy leverages the rich industry experience of Biocon and subject expertise of International Education Partners, Keck Graduate Institute, California, USA to deliver **Biocon-KGI Certificate Program** in Biosciences.

This program aims to empower the Biotechnology and Engineering graduates with Advanced learning and Industrial proficiency through development of job-skills essential to build a promising career in Biotech industry.

The program has three major components - **Technical Course Modules, Professional Skills Module and Industry-Academy Interactions.**

#### Technical Modules:

• Molecular Biotechnology • Pharmaceutical Development • Biopharmaceutical Quality Assurance and Control • CMC Regulations of Pharmaceuticals • Introduction to US FDA and European Laws and Regulations • Fermentation Principles - Module I • Mammalian Cell Biotechnology - Module II • Bioseparation Engineering and Science

#### Professional Skills Development Module:

• Communication Skills (written and verbal) • Presentation skills • Networking skills etc.

#### Industry-Academy interactions:

This is achieved through well planned Functional Visits to various departments like Production, Quality Control Analytical, Quality Control Microbiology, Regulatory Affairs, Research & Development and Quality Assurance in Biocon.

Field Visits to gain hands on learning experiences on various techniques like Fermentation and HPLC techniques at SIT & Molecular Biotechnology techniques at IBAB.

Guest Lectures by Subject Matter Experts from Biocon Limited and other reputed organizations.

## Student Profile: Freshers

Sl. No	Name	Qualification / Subject	Institute Name	%/CGPA	Year of Passing
1	Achla Raj	B.Tech. Biotechnology	Jaypee Institute Of Information Technology, Noida	8.00/10	2016
2	Anku Singh	M.Sc. Biotechnology	Holkar science college, Indore	75%	2014
3	Aparna Khanna	B.Tech. Biotechnology	Jaypee Institute Of Information Technology, Noida	7.4/10	2016
4	Aswin Poothery	B.Tech. Biotechnology Engineering	Sahrdaya College of Engineering and Technology, Thrissur, Kerala	7.98/10	2016
5	Athira Pradeep T.R.	B.Tech. Biotechnology	Vivekanandha College of Engineering for Women, Erode	7.77/10	2016
6	Chaitra M.S	M.Tech. Biotechnology	SRM University of Technology, Chennai	8.86/10	2016
7	Deepanwita Kundu	M.Tech. Biotechnology	National Institute of Technology, Durgapur	8.03/10	2015
8	Inbesat Khan	M.Tech. Biotechnology	Rajiv Gandhi Technicial University, Bhopal	8.7 / 10	2015
9	Jovita John	M.Sc. Microbiology	Kristu Jayanti College, Bangalore	78.05%	2016
10	Lakshmi Pisale	M.Tech. Biotechnology	RV College of Engineering, Bangalore	79.5%	2015
11	Neha Bhatt	M.Tech. Biotechnology	Govind Ballabh Pant Engineering College, Pauri, Garhwal	71%	2014
12	Naveen Singh	M.Tech. Biotechnology	Jaypee Institute Of Information Technology, Noida	73%	2016
13	Pranoti Pujari	B.E. Biotechnology	KIT's College of Engineering, Kolhapur	72.45%	2016
14	Prutha Mahale	M.Sc. Biotechnology	St. Aloysius College, Mangalore	72%	2016
15	Ramez Ahmed	B.E. Biotechnology	M.S.Ramaiah Institute of Technology, Bangalore	8.62	2016
16	Sneha Gugnani	M.Sc. Biotechnology	Hislop College, RTMNU, Nagpur.	8.58/10	2016
17	Somyasree	M.Sc. Medical Biotechnology	School of Life Scineces, Manipal, Karnataka	74.5%	2015
18	Swati Mishra	M.Sc. Zoology	Utkal University, Bhubaneshwar	83.9%	2016
19	Thara Menon	M.Sc. Biotechnology	Amrita Vishwa Vidyapeetham, Kerala	9.00/10	2016

## Student Profile: Experienced Candidates

Sl. No	Name	Qualification / Subject	Institute Name	%/ CGPA	Year of Passing	Years of Experience	Organization & Designation
1	Anwasha Reddy	M.S. Biomedical and Molecular Science Research	King's College London	8.00/10	2015	8 Months	Intern NexGen Healthcare Communications, London
2	Deepti Tyagi	M.S. Microbiology	North Dakota State University, Fargo, ND, USA	3.7/4.0	2015	9 months	JRF IARI, Pusa, Delhi
3	Osheen John	B. Tech Biotechnology	Karunya University, Coimbatore	8.19/10	2015	6 months	Research Trainee ITC, LSTC, Bangalore
4	Pratyusa Chakroborty	M.Sc. Biomedical Genetics	VIT University, Vellore	8.84/10	2015	6 months	Trainee Department of Molecular Nutrition, CSIR-CFTRI, Mysore
5	Rita Sahu	M.Sc. Biotechnology	College of Pharmaceutical Sciences, Berhampur University	79%	2013	2 years 6 Months	Analyst, Trainee Analog labs, Biocon Ltd
6	Sharon Samuel	B.Tech. Industrial Biotechnology	Anna University, Chennai	8.33/10	2015	9 Months	Junior Technical Officer Alliance Biomedica

To know more and participate in our recruitment program, please call:

**Bindu Ajit**, Program Director, M: 9845 804 359. **SS.Easwaran**, Academic Director, M: 9742 725 905.
