

ALUMNI REFERRAL PROGRAM

What Is Alumni Referral Program?

If you are Biocon Academy Alumni, we invite you to join our referral program. **Recommend students to Biocon Academy to upskill themselves and enhance their employability.**

Awards

Awards will be paid out for referrals that are successfully enrolled for the course. All referrals must be submitted via the Alumni Referral Program portal on the website in order for the referral to be valid.

Award Category:

There will be an annual award for the top 3 people who have referred the most students from April 2023 to March 2024. The winners will be announced, and prizes will be distributed during the Alumni Meet (2024).

How to refer a candidate

- Communication will be sent out via E-mails to the registered email ID, WhatsApp messages in the group and SMS will be sent out to all the Alumni when the admissions are open for any of the courses
- With the mailer, a link will be provided to fill out the form. The link will also be available in the Alumni portal
- If you have a friend, relative, or colleague who might be interested in Biocon Academy, and meet the eligibility criteria for the courses then fill out the form and submit
- Once the candidate has successfully completed the interview and paid the fees then we will consider that candidate has come through the referral program, and you will receive a mail confirmation
- You can make unlimited referrals for any course

Legal note

Alumni must obtain the candidate's consent to the referral and the disclosure of any of the candidate's information submitted as part of the referral.
